

Houghton Middle School 8th grade Eco-Challenge Team wins \$10,000

The 8th grade Eco-Challenge Team at Houghton Middle School learned today they have **WON THE FIRST ROUND** of the competition which they had completed in early December. They will receive \$10,000 in cash to be split between the students, Houghton Middle School, and teacher Sarah Geborkoff (for classroom supplies). Only 8 middle school teams nation-wide won this award, so these kids have a lot to be proud of! With the award comes an invitation to participate in round 2 (which begins this month) so our work now continues!
