

**THANK YOU ...Carol Kreher, 4-H Program Associate,  
Houghton-Keweenaw County MSU Extension!!**

Carol Kreher has been a valuable resource and LSSI community partner for the past two years, sharing her many years of experience working in community gardens and fostering a love of gardening in children. Carol has worked closely with the C-L-K Elementary School team to design and implement their school garden project, providing valuable expertise. She has attended numerous C-L-K team meetings, taught Junior Master Gardening classes for the 3<sup>rd</sup>, 4<sup>th</sup>, and 5<sup>th</sup> grade students, and was a volunteer at their Community Work Bee last May.

Carol has brought her skills and expertise to the entire Lake Superior Stewardship Initiative community through her presentations at two *Gardening in Schools* educator workshops.
